Quick update:

1) Curtis Park Village

- JS is confident that he has the votes (if not a unanimous one) to deny the approval
- Community meeting is on Nov. 8 from 5 to 6:30 pm- he would like the Mayor's help in getting Pastors from Oak Park in attendance to bring civility to the room
- He says City Manager will back his position especially after all of Petrovich's recent antics
- JS will be popping-in this morning to discuss with MKJ

2) Council Meeting Decorum

- Met with every Councilmember yesterday except for CM Guerra- all of them said nearly the same thing:
 - a) Council decorum rules should be read at the beginning of the meeting to set ground rules for the meeting (Shirley can read these)
 - b) Do not let anyone use offensive language, personally attack Councilmembers, disrupt the meeting, or discuss non-city related business
 - c) Mayor or Chair of meeting needs to warn speakers by using the gavel immediately to try to de-escalate the situation before it gets out of hand
 - d) After a warning, repeated offenders need to be escorted outside of the chambers by the Sergeant of Arms so the City can conduct its business
